Dear Sir,

On 25<sup>th</sup> October I was informed that the court hearing on my above mentioned objec-  
tion is postponed from 27<sup>th</sup> October to 1<sup>st</sup> December 2010. As I had arranged for my  
physical participation on the first date and the rescheduling at shortest notice was both  
inconvenient and costly, I ask for your kind understanding that I must try to attend the  
hearing on 1<sup>st</sup> December telephonically.

I kindly ask you to provide me with the necessary dial in data, so that I can make my-  
self available for your questions.

Sincerely,

Axel Siepmann, Siepmann & Cie. GmbH & Co. KG
